

OFFICE OF THE DIRECTOR

19 March 1973

Dr. Henry A. Kissinger
Assistant to the President for
National Security Affairs
The White House

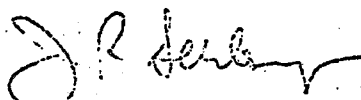

(b)(3)

Dear Henry:

I am sure you share my deep concern at the rapidity with which the first sensitive report appeared in the press and my hope that it is not used to pinpoint and place in jeopardy its source. Within the Agency I am taking steps to investigate what happened to each copy held to determine whether any leakage might have taken place here.

In keeping with the responsibility the President assigned to the DCI for protection of intelligence sources and methods, I am asking each recipient [redacted] to make an investigation to determine whether any leakage might have taken place in his agency. I will report on any leads we may uncover.

Sincerely,

James R. Schlesinger
Director
